

Esperanto

constructed language

1000

planned languages
in history

1

succeeded –
Esperanto

2 000 000

estimated
speakers

Real

have a huge body of original
and translated literature,
poetry and scientific works

Living

and evolving. Fulfils all criteria
of a living language

Simple

learn grammar in 3 hours, start using immediately.
Regular, easy, very flexible.

Peace

...and mutual understanding.
Origins of Esperanto were
rooted in lofty ideals.

Community and communication

- "a voluntary, non-ethnic, non-territorial speech community"
- On-line and off-line. Telegram, Reddit, Twitter, Facebook....
- Yearbooks of Esperantists around the world for facilitating travel and contacts
- Occupational, religious, interest and other E-groups
- Frequent meetings
- Meant as a universal second language (L2) for all.
- Have native speakers!
- Very useful for travel
